WHAT TO DO WHEN YOUR PROPERTY IS DAMAGED

Use this quick checklist while help is on the way.

- ✓ 1. If safe, stop the source of the damage.
- ✓ 2. Turn off electricity in affected areas if water is present and it is safe to do so.
- ✓ 3. Take photos of the damage and affected contents.
- ✓ 4. Move valuables and important items away from the damaged area if possible.
- ✓ 5. Call Tri-County All Restorations for emergency response.
